The diagram illustrates a 3D network topology with three nodes and three links. The nodes are represented by rectangular boxes with labels: **BYE** (top), **[20] Oliver MARCHINGTON** (bottom left), and **[20] Oliver MARCHINGTON** (bottom right). The links are represented by lines connecting the nodes: a vertical link between the top and bottom left nodes, a horizontal link between the two bottom nodes, and a diagonal link between the top and bottom right nodes. The labels **BYE** and **[20] Oliver MARCHINGTON** are also placed near the links to indicate the associated data or context.
