The diagram illustrates a 32-player tournament structure. The initial 32 players are listed on the left, grouped into four sets of eight (Q1-Q8, Q9-Q16, Q17-Q24, Q25-Q32). The tournament progresses through four rounds of 16, 8, 4, and 2 players. The final match is between Miguel LIMA PEREIRA and another Miguel LIMA PEREIRA. The diagram is heavily annotated with 'BYE' and 'Miguel LIMA PEREIRA' text, indicating specific player outcomes and identities at various stages. The layout is a standard single-elimination bracket with a central vertical spine and horizontal lines connecting to the left and right sides of the bracket.
